

CALOGERO'S

CUCINA ITALIANA

Off Premise Catering Menu

Calogeros has been in Garden City for over a decade. We believe in having a strong connection to our purveyors. That connection transfers directly to our clients in the way our food is prepared. We source out the best "in season" products from local distributors.

The same great quality food from our restaurant is featured in our catering menu. Although the menu has changed please feel free to request anything at any time. We will be happy to accommodate special requests or dietary needs.
